

GINGER "SING SONG"

Once upon a time, there was a girl called Ginger, better known as a Ginger "sing song"...why? Will you ask...Ginger loved singing all the time...whatever she saw...she made up a song about it...she was very imaginative...when she saw a bird...she sang a song...when she saw the tree leaves being moved by the wind...she sang a song...she had songs for everything and everybody, she had a lovely voice...and people loved listening to her...she had plenty of friends, she was very sociable, and helpful and of course very talkative and cheerful...

Ginger lived with her mother and her dog called Lola...Ginger loved her mother...but Lola was her best friend...everywhere Ginger went, Lola was beside her, always looking after her...

Ginger went to school, she loved to learn everything, maths, science, languages, history, but her favorite subject was music...she knew all about the musicians, live musicians and dead musicians, she loved rock, pop, classical, soul, jazz, Ginger's mind was full of music...she knew about all the musician's characters, because her mother told her about them, and also because she had learnt about them in class. Ginger's mother was a very good painter, she earned a good salary painting pictures and selling them, Ginger loved her colourful pictures ...

One day Ginger went to school, as a normal day, but this day was special...it was to be the first day that Ginger went to school by herself...her mother thought this day should be the first time, Ginger was just ten years old...

_ "Well, Ginger (said her mother), today is going to be your first day, you will go alone to school, I trust in you..."Ginger was very happy and very proud of herself...she felt as an adult..."thanks mum, I love so much" and she gave her a big hug...

_ "But Ginger, (said her mother), Lola is going with you". "Ok mum, said Ginger", "and of course, Ginger you have to take the main road,-promise Ginger?" "I will mum..." "Ginger don't, take the other way...you will save time...but it is not safe..." "ok mum no problem..."

This day Ginger was very happy going to school, with Lola and some friends she met on the way...hello Ginger ...all people said ...and Ginger was very happy and of course she was singing, she felt safe when she sang..

This day was a busy day at school, she had to do a lot of homework, Ginger loved to do homework, but it was too much..."ok if I walk fast I will arrive home and I could have time to play with Lola and watch how mum paints"

The class was over, and Ginger was one of the first children to leave the school, Ginger looked at the sky, it was dark and the wind was blowing heavily. And the first raindrops fell...She thought...if I take the path I'll save time and I'll arrive home in time ...Ginger looked at Lola, but Lola was very intelligent and began to bark..."Lola please, come with me, don't tell mum...we'll be safe...come come..." But Lola didn't follow her..."Ok Lola I'll go alone and I'll see you at home, take care my friend..."said Ginger smiling at her best friend...

It was raining cats and dogs, but Ginger was happy and of course singing :

I'm singing in the rain
Just singing in the rain
What a glorious feeling
I'm happy again
I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love...

Suddenly Ginger saw a big house...and there was a shining light inside...she ran towards the house and saw a lovely pussy cat, and of course she started to sing...

Pussycat, Pussycat, I love you
Yes, I do!
You and your pussycat nose!

What's new, Pussycat?
Whoa, whoa
What's new, Pussycat?
Whoa, whoa

Pussycat, Pussycat, you're so thrilling
And I'm so willing
To care for you.

And both of them were entering the house ...Ginger pushed the door... and the door opened ...OOOOOHHHHH...Ginger said ...the house was full of music everywhere...she could see Frank Sinatra singing

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart
That you're really a part of me

"Hello Ginger" said Frank Sinatra "...how are you? ...you are here again...happy to see you again..." and he carried on singing.

Ginger also met Bach, Mozart..."Hi Ginger happy to see you again.." Nina Simone a lot of other singers from music history...Ginger was happy everyone knew her and it was fantastic, she really felt like a pop star....

In the corner there was a beautiful woman with the best voice she had ever heard...she was Maria Callas...when María started to sing...Ginger recognized her voice..she was her mother's favourite singer "...Hello Ginger I'm happy to see you again...but your mum must be worried about you...come with me ..." and Maria gave Ginger a big hug...and while Maria was singing ...Ginger fell asleep ...

Today's the day when I see clear
A tiny thread of smoke appears
Where blue skies fall upon the ocean
And shake this staid emotion

All the while I sing this song
I see a dot on the horizon
Growing bigger every second
Gleaming white in my direction

"...Come Ginger, wake up..." said her mother, and kisse her, it's time go to school, and her best friend, Lola, was beside her...Ginger opened her eyes , full of colour...Ginger was smiling and hugged her as hard as she could...

Ginger's mother's heart was broken again...she knew , Ginger had had her favourite dream ...
